### **EMMANUEL CHURCH**

---

Monthly Saturday night video evenings and a monthly mid-week lunch fellowship have proved effective in getting to know neighbours.

In October Nelly van Acker was with us for a week. Nelly is a member of *Emmanuel Church* and is working in Phnom Penh, Cambodia, with Hagar Project. In addition to this work Nelly is supervising translation of literature into Khmer. To date we have completed two books and the third, "*By God's Grace Alone*" should be completed very soon.

On Sunday 26 October we commemorate the Protestant Reformation.

We have a Christmas dinner/sports' evening on Saturday 13 December. This is an opportunity to reach out to friends in a relaxed environment. Folk from other churches are welcome to attend.

A one day retreat is planned for Saturday 24 January 2004.

*Emmanuel Church* commemorates her 30th anniversary in June 2004.

### **GRACE BAPTIST CHURCH**

---

Over the past year the church has received both encouragement and discouragement, as is so often the case. One of the families in regular attendance at our services shifted to another church early in the year, and for a number of months we were keenly aware of the reduced size of a Sunday morning congregation which was fairly small anyway. However, the Lord blessed us with the presence of a number of visitors, as well as a student from Africa. In recent weeks another family has begun attending and has indicated their desire to continue worshipping with us. David & Daphne Sterne, known to many of the readers of this newsletter, have been unable to attend services for many months due to David's ill-health.

## MANUKAU CENTRAL BIBLE FELLOWSHIP CHURCH

October 12 saw our public service of recognition of Dawie Malan as a preaching/teaching elder in our church, a role he will be supported financially in from the beginning of next year. It was a wonderful service of rejoicing and thanksgiving and many visitors were there as friends and supporters of the Malans. Dr Andrew Young (Principal of Grace Theological College) preached a powerful sermon from Heb 13:17. Tapes of the service are available if you would like one.

Greetings were received from eight different churches, 4 RB, 2 Baptist Union, and 2 GPNZ churches. Many thanks to those churches who sent greetings. A wonderful day of unity and blessing.

November 21 the church is planning a farewell for the Reynolds. They will be leaving us Dec 27 for three years of study and training at Covenant Theological Seminary in Missouri, USA. We are so grateful for the legacy they leave us after 17 years of faithful ministry.

## NORTHSHORE BAPTIST REFORMED CHURCH

We have just finished looking at the occasions of preaching in the book of Acts and in November will be preaching on three occasions on Psalm 73.

Five people will be baptised on November 30 at Castor Bay before our morning meeting.

The children have their Christmas 'presentation' on December 7. That day we will have our final church lunch of the year .

We are so grateful as well for the wonderful Conference we had with Arturo Azurdia and wish to thank all those of the other fellowships who supported this happy event.

Our final evening Sunday meeting will be on December 14 and we hope to have a BBQ at that time.

## WELLINGTON REFORMED BAPTIST FELLOWSHIP

Much can change in a few months! Who would have believed a few months ago that there could have been a regional Reformed Baptist network in the wider Wellington region? Sandra Field in Marton, the arrival of the Fullers in Palmerston North (an RB family from the UK) and the growth of a small Bible study in Masterton - now mean that there is a small informal network of Reformed Baptists. On Labour day we are planning our first regional get-together. We hope this will become a regular (monthly?) occurrence for mutual encouragement.

The WRBF itself continues with an uncertain future. Tony and Nancy are selling their house and need to decide their retirement options. Pray also for Chris & Robyn Good as they seek wisdom to know where the Lord will have them best serve Him. Our regular study on Acts has been put on hold due to recent busyness and other commitments.

*I rejoiced  
in the Lord greatly  
that now at last your care for me  
has flourished again;  
though you surely did care,  
but you lacked opportunity....  
Nevertheless you have done well  
that you shared in my distress.*

Phil. 4:10,14
