FELLOWSHIP NEWS

The newsletter of the Fellowship of Reformed Baptist Churches in New Zealand

March 2012

– BAYS BAPTIST CHURCH, AUCKLAND —

We are back into a New Year, preaching through Romans in the morning. The Sunday evening Bible studies are moving through famous stories from the Old Testament. Our Sunday School children are doing a 10 week overview of the whole Bible. We were pleased to welcome a couple of new faces over the last months, and we're enjoying fellowship together. We continue with weekly and monthly rest home services, which provide opportunities for Bible teaching and pastoral care.

- Emmanuel Church, Auckland ------

We have begun public meetings titled "Help Stop The Violence" (HSTV). The first meeting in Mangere was attended by 9 persons with one lady from Mangere in attendance. The next meeting is on Saturday 17th March. These meetings address the issue of violence in our society and seek to present the gospel of Jesus Christ as the way forward.

Work on our hall extension has started. We are currently meeting in Kohia Terrace School in Epsom while work is being carried out. Projected completion is mid-August.

Our Youth & young adults' meetings resume in March. The Ladies and men's meetings for 2012 will resume soon. Our 38th anniversary will be commemorated on Sunday 24th June.

— GRACE BAPTIST CHURCH, CHRISTCHURCH — GRACE

We are going through the book of Hebrews in our morning services at the moment. We pray that something of the greatness and glory of the person and work of our Lord Jesus Christ would be seen by us, and strengthen us to persevere in knowing and serving Him

On 30 and 31 of March we will be hosting the first session of the FRBCNZ 'roving classroom' training program for 2012 on 'His Story: a Christian View of History'. Please pray for the Lord's help for Rob Harrod as he leads this time, and for all who attend to grow in the grace and knowledge of the Lord (2 Peter 3:18).

-GRACE REFORMED BAPTIST CHURCH, PALMERSTON NORTH -

We have been encouraged with the presence of visitors and new regulars over recent weeks, and answered prayer for provision of work in Palmerston North for one of our young members who had returned to his parents home in Auckland having initially failed to find anything here.

The usual ministries of the church continue, and we are looking forward to our sixth School of Theology in July. Dr James Renihan will return once again and will teach a week-long intensive course on the Doctrine of the Church.

- GRACENET COMMUNITY CHURCH, WELLINGTON -

Gracenet has been greatly blessed over the last few months. We have had the privilege of baptizing several believers, and adding some new members to our fellowship. Also contributing to this excitement, many in our congregation have been getting married! As to the preaching and teaching ministry, Mike is over half-way through the gospels, and our study of the 1689 Confession is soon coming to the end. We have also recently added a time of children's ministry just before the service every Sunday. This is going very well. It has been such a joy to see the kids enjoy this time together. All other meetings (men's group, women's group, mother's group and student's bible study) are moving along nicely as well. All in all, we are encouraged in the work and we give thanks to God for all that has been happening.

— Marchwiel Reformed Baptist Church, Timaru ———

We have recently started a new series looking at Paul's letter to the Romans. We have recently kicked off a new church website in the form of a blog. www.marchwielreformedbaptistchurch.blogspot.com We are planning another Fiji missions trip from the 29th of June-8th of July.

We celebrated our 28th Anniversary as a church on February 26. The previous day two of the young adults of the church were married. Mid-week Care Groups and Sunday classes have resumed with a few differences – on the first Sunday of the month we intend to replace the usual classes with 'Altogether' time when everyone is together for news, interviews, book reviews, etc.

Jeff and Annette Lane together with Nicky Malcom and Stephen Turner and Kadilu Chinyama have recommenced their work on the Massey/Albany and UNITEC campuses.

The 19th trip to India is planned for May 2-22. For the first time since Stephen went to India, Theological Studies will be held in Pune, northern India as well in the south at Coonoor. Mike Beck is returning with Stephen to India. We anticipate helping theological students with their fees as from June.

------ TRINITY REFORMED BAPTIST CHURCH, HAMILTON ------

The preaching of the Word of God continues to be at the heart of our ministry. David Marshall has been preaching through the fourth book of the Psalter on Sunday mornings and the Life of Elisha on Sunday evenings. The morning message is discussed at the following Wednesday Evening Prayer Meeting. Neville Hablous, from Trinity, has also preached on several occasions. We recently enjoyed the ministry of Dr David Catchpole from Creation Ministries International in Brisbane. David presented a compelling case for Biblical Creation.

While David was on holiday in February, Rob Morton from Bays Baptist Church, Ian Grant from Shore Baptist Church and David Yan from Emmanuel Church each spent a Sunday in Hamilton and spoke at both of our services.

We recently discovered that we have more than forty people in our weekly Bible Studies. Two of these are conducted by Desma Lewis and are reaching out beyond our church family.

Two of our ladies, Robyn Englesman and Judy Latif, are teaching Bible in Schools at state schools here in Hamilton. Dawood Latif is very active in the Bible distribution work of Gideons International and as an honorary chaplain at Waikeria Prison.

Our Coffee, Craft and Conversation group on Tuesday mornings continues to attract a number of unchurched ladies. We are also continuing our door-to-door evangelism in the area around our buildings, and running regular CAP Money seminars.

We are planning on baptising several people on March 25.
