READING PROGRAMME

A list of books selected by the Fellowship of Reformed Baptist Churches in New Zealand

Your name:

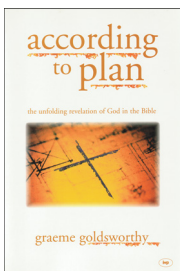

FRBCNZ Reading Programme

The Fellowship of Reformed Baptist Churches in New Zealand (FRBCNZ) has put together this list of twenty books to assist those who wish to pursue a reading programme aimed at providing biblical and practical teaching which will strengthen your faith and help equip you for living as a disciple of Christ.

This leaflet lists each book with appropriate details and provides a means of keeping track of your reading progress. (If you've already read a book tick the 'Read' check box, otherwise enter the dates you start and finish reading the book.) Your church may use this as the basis for recognising your achievement in completing the reading list, perhaps by presenting you with a certificate or in some other way.

The books are listed in alphabetical order by title, but they may be read in any sequence that suits you. Indeed, you may find that books like *Recovering Biblical Manhood & Womanhood* or *Bible Doctrine* are a little overwhelming at first; these could be worked through a chapter or two at a time while continuing to read other less daunting books.

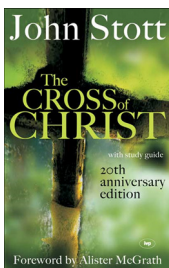

These titles may be ordered through your local bookshop or an online bookstore. Some titles are printed by more than one publisher or may be available in different editions, so details such as ISBN or cover design may differ from those shown here: just be sure the title and author match!
