

YOUTH CAMP

FRBCNZ

14

21st - 25th April 2014

These annual Youth Camps are for young people aged 13-18, particularly - though not exclusively - from churches in New Zealand that are Baptist and Reformed.

The camps have three key aims:

FUN: to provide an enjoyable, interesting and stimulating holiday for young people.

FRIENDSHIP: to provide an opportunity for good friendships to be formed among youth from like-minded churches.

FOCUS: to present the Gospel and encourage young Christians in their walk with Jesus.

This year we are returning to the excellent facilities at Camp Bentzon on Kawau Island where we will enjoy a range of outdoor and indoor activities. Our speaker will be André Bay, the Pastor of Shore Baptist Church in Auckland, and the theme for the Camp will take inspiration from the bicentenary of the Gospel first coming to New Zealand.

Through generous sponsorship we have been able to keep registration fees at the same level as last year: \$195 per camper, with discounts for multiple campers from the same household and a further early-bird discount for registrations received by 17th March 2014.

For further details and to register please visit the camp website.
